*Prior Art Citation*

**1. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.**

Koyama et al. (5,673,241), Hayashi et al. (6,798,723) and Yanagawa (2002/0071365), all discloses an optical disk apparatus having the ability of reducing astigmatism of the optical pickup.

*Reasons For Allowance*

**2. The following is an Examiner's Statement of Reasons for Allowance:**

Re claim 1

The prior art of record alone or in combination does not teach or suggest the method for measuring an astigmatism of an optical pickup having the combination of steps (first-seventh steps) with their recited process along with having the astigmatism of the optical pickup is measured in accordance with said first distance and said second distance.

Re claims 2-4

The prior art of record alone or in combination does not teach or suggest the method for adjusting an astigmatism of an optical pickup having the combination of steps with their recited process, and taken the claims as whole in with having the specific process as recited in the first-seventh steps, along with having the astigmatism of the optical pickup is adjusted in accordance with the measurement results obtained in the seventh steps, as set forth in claims 2-4.

Re claim 5

The prior art of record alone or in combination does not teach or suggest the system for measuring an astigmatism of an optical pickup having the combination of elements with their recited function, along with having the astigmatism of the optical disk is measured in accordance with the first distance and the second distance, as set forth in claim 5.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
